RECAP 2020: As we all experienced 2020 was a year of adjustments and compromises with the Covid regulations affecting large gatherings. The Burt Tribute was no exception and a last minute shift was required due to Vermont's quarantine protocols. We had north of 60 players participate and the food, fun, and sun was abundant. As requested by the family, we will be placing a tribute bench at LSCCC this year with extra funds raised last year. I want to thank Burt's sister Susan and her husband Phil Morse for donating some great Boston Red Sox's logo items. So get your groups together and sign-up for another stellar event!
